

## **Conference FAQ's**

### **Why is RxA hosting a virtual conference?**

- Hosting a virtual conference is the best way to provide our members with a PD learning opportunity while maintaining your safety and the safety of our communities.

### **Will there still be concurrent sessions to attend at the conference?**

- We will have some concurrent sessions for you to choose from. They will be offered on Saturday, November 14<sup>th</sup>.

### **How long are the concurrent sessions?**

- 60 minutes long, including Q&A time.

### **I can't take the whole day off work. Can I register for specific concurrent sessions or a half day?**

- Logistically we are not able to provide that option this time

### **How much does it cost to attend the Virtual Conference?**

We are offering a special RxA 20<sup>th</sup> Anniversary rate!

- Member - \$220.00
- Student - \$20.00

### **I'm not an RxA member-can I still attend the conference?**

No. Our conferences are for RxA members only. Information about joining RxA is [here](#).

### **Why are you charging for the conference? Isn't it free to run it virtually?**

- Even though the conference will be run virtually, there are still costs associated with the conference, such as the speakers, technical assistance, and the event platform.

### **Is there a limit to how many people can attend?**

- That's the great thing about a virtual conference! There is no limit on space.

### **Will I still get CCEP credits for attending this conference?**

- Yes, you will get CCCEP credits. There will be a total of 6.0 CEU's for the conference.

**Will there be an exhibit hall with the virtual conference?**

- There will be a virtual exhibit hall! The technology we are using creates a venue where exhibitors can interact with attendees and showcase their products.

**My company would like to be an exhibitor – how does that work?**
